# AGM and Conference 2019

# Hinsley Hall

**30th August - 1st September 2019**

**Following arrivals from 2.00pm onwards members were able (if so inclined!) to take advantage of a Pilates session at 5.00pm.**

**After an excellent dinner (as usual at Hinsley) members moved to the Lounge for coffee and conversation. One of our members provided music for a singalong!**

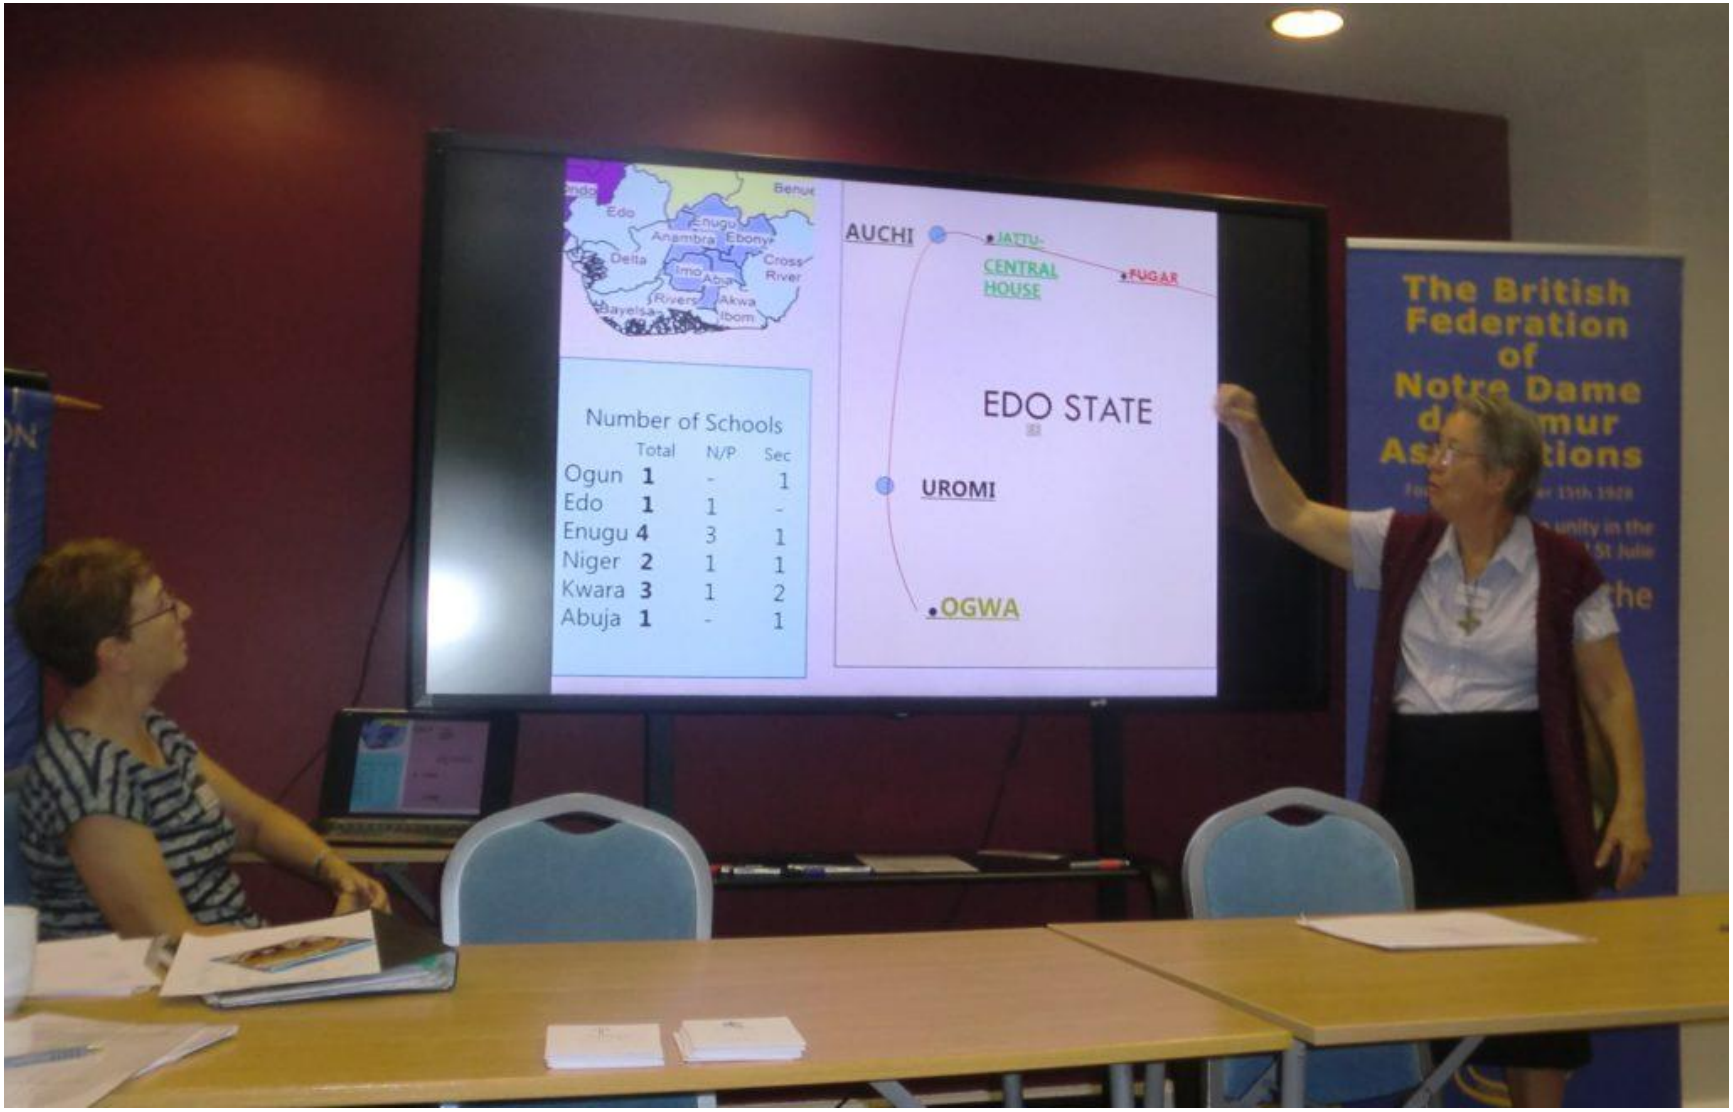
**The following morning members departed for a visit to Wetherby. Last time we went it was very wet but this time the sun shone on us.**

***Very peaceful by the River Wharfe***

***Interesting little streets***

**After lunch two of the Sisters gave a talk on the proposed secondary school in Nigeria which is our current charity**

***These are the girls we want to help***



***This is the region in which the school is to be built***

***As yet a blank canvas***

**This was followed by our AGM**

***What's so funny!***

**The Conference Secretary answers some questions**

**Followed by evening prayer in the chapel**

**Pre Conference Dinner Drinks**

***Everything comes to she who waits!***

**Sunday comes all too quickly**

***Thank You Staff for looking after us so well!***

**Group Photograph (to be added)**

**Most members left after Sunday lunch but a few members took advantage of a new innovation. There was an extension until Monday morning with some activities provided for those who wished.**

**Another successful conference.**

**Here’s to next year**
